

**Print off the following pages of this document
to make 4 sets of a "Questions Pack"**

- Cut each slip of paper into 4 sections by cutting along the dotted aligns
- Assemble question packs by stapling a "Questions" sheet on top of 5 blank sheets
- Print off more copies of this document until you have one questions pack for each pupil

QUESTIONS

Do you have any questions about the building? Something you've always wondered or a detail you have just noticed and would like to know more about.

On each of the pieces of paper in this booklet, write down a question you have about this building. Your questions could be about anything; why it looks the way it does, its history, how it works inside or why it is where it is.
